PROFESSIONAL EXPERIENCE

Movidu Tech pvt ltd.

React Developer | July, 2021 - Present

Movidu (https://movidu.in/)
- Created company website from scratch.
- Developed movidu mentor dashboard and movidu student dashboard from scratch so that we can have a track of their work and they can also have a track of their projects and others.

Coincent (https://coincent.ai/)
- Developed coincent admin, coincent mentor and coincent student dashboard from scratch.
- Coincent mentor and student dashboard are developed in a way so that they can see their progress and interact with each other on any kind of queries and many other things.
- Coincent admin dashboard Here admin can go through all the 'mentors' profiles and can manage all the mentors review their works and assign them specific classes.

1stop (https://1stop.ai/)
- Developed 1stop admin, 1stop mentor and 1stop student dashboard from scratch.
- In the 1stop mentor and student dashboard there is a community where students from the same group can interact with each other within the dashboard and for interacting with mentors they have a different section for that and many other useful features for their progress.
- In the 1stop admin dashboard admin can set the calendar for any mentor and also assign tasks to the mentors and other works as well.

Digital Savers

Front end developer Intern | May, 2020 - January, 2021

- Worked on html, css and javascript.
- Worked on two main websites of the organisation.
- Developed the dark and light modes on the website.
- Handled the responsive part of the website.
